Report of Independent Auditors	1-2
Financial Statements:	
Statements of Financial Position	3
Statements of Activities and Changes in Net Assets	4-5
Statements of Functional Expenses	6-7
Statements of Cash Flows	8
Notes to Financial Statements	9-16

### Report of Independent Auditors

To the Board of Trustees of GeoHazards International:

## **Opinion**

We have audited the accompanying financial statements of GeoHazards International, which comprise the statements of financial position as of December 31, 2022 and 2021, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of GeoHazards International as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of GeoHazards International and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about GeoHazards International's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of GeoHazards International's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about GeoHazards International's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Walnut Creek, California

Novogodac & Company LLP

## NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

#### 1. Organization

GeoHazards International (the "Organization") was established in 1991 as a non-profit organization to improve the safety of communities at risk from geological hazards. Current Organization initiatives include projects in India, Nepal, Bhutan, Haiti and the Dominican Republic. Other programs include public education and outreach to raise awareness of earthquake risk.

## 2. Summary of significant accounting policies

#### Basis of accounting

The Organization prepares its financial statements on the accrual basis of accounting consistent with accounting principles generally accepted in the United States of America.

#### Basis of presentation

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. The Organization is required to report information regarding its financial position and activities according to the following net asset classifications:

*Net assets without donor restrictions:* Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of trustees.

*Net assets with donor restrictions*: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature, which will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

#### Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

## Cash and cash equivalents

Cash and cash equivalents include all cash balances on deposit with financial institutions and highly liquid investments with a maturity of three months or fewer at the date of acquisition.

## Concentration of credit risk

The Organization maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. The Organization believes it is not exposed to any significant credit risk on cash and cash equivalents.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

## 2. Summary of significant accounting policies (continued)

## Contributions and pledges receivable

Management considers receivables to be fully collectible. If amounts become uncollectible, they are charged to operations in the period in which that determination is made. Accounting principles generally accepted in the United States of America require that the allowance method be used to recognize bad debts; however, the effect of using the direct write-off method is not materially different from the results that would have been obtained under the allowance method.

#### Fair value measurements

The Organization applies the accounting provisions related to fair value measurements. These provisions define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, establish a hierarchy that prioritizes the information used in developing fair value estimates and require disclosure of fair value measurements by level within the fair value hierarchy. The hierarchy gives the highest priority to quoted prices in active markets (Level 1 measurements) and the lowest priority to unobservable data (Level 3 measurements), such as the reporting entity's own data. These provisions also provide valuation techniques, such as the market approach (comparable market prices), the income approach (present value of future income or cash flows) and the cost approach (cost to replace the service capacity of an asset or replacement cost).

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. The three levels of valuation hierarchy are defined as follows:

- Level 1: Observable inputs such as quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2: Inputs other than quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- Level 3: Unobservable inputs that reflect the Organization's own assumptions.

The following tables present the Organization's assets that are measured and recognized at fair value on a recurring basis classified under the appropriate level of the fair value hierarchy as of December 31, 2022 and 2021:

	 December 31, 2022								
						Fa	ir Value		
Assets	 Level 1		Level 2		Level 3	Mea	surements		
Mutual funds	\$ 825,290		-		-	\$	825,290		
Total assets	\$ 825,290	\$		\$		\$	825,290		

# NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

## 2. Summary of significant accounting policies (continued)

Fair value measurements (continued)

		December 31, 2021								
				J	Fair Value					
Assets	Leve	11 Level 2	Level 3	N	<u>leasurements</u>					
Mutual funds	\$ 1,006,3	75 -	-	\$	1,006,375					
Total assets	\$ 1,006,3	75 \$ -	\$ -	\$	1,006,375					

#### Investments

Investment purchases and sales are accounted for on a trade-date basis. Realized gains and losses are calculated based upon the underlying cost of individual lots. Interest income is recorded when earned and dividends are recorded on the ex-dividend date.

Investments are made according to the investment policy adopted by the Organization's board of trustees. The guidelines provide for investment in equities and other securities with performance measured against appropriate indices. Outside advisors are utilized by the Organization for the purpose of providing investment and consulting advice.

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain long-term investments, it is reasonably possible that changes in the values of these investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

#### Income taxes

The Organization is exempt from federal income taxes under Internal Revenue Code Section 501(c)(3) and from California income and franchise taxes under Revenue and Taxation Code Section 23701(d). Accordingly, no provision for income taxes has been included in these financial statements.

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Organization to report information regarding its exposure to various tax positions taken by the Organization. The Organization has determined whether any tax positions have met the recognition threshold and has measured the Organization's exposure to those tax positions. Management believes that the Organization has adequately addressed all relevant tax positions and that there are no unrecorded tax liabilities. Federal and state tax authorities generally have the right to examine and audit the previous three years of tax returns filed. Any interest or penalties assessed to the Organization are recorded in operating expenses. No interest or penalties from federal or state tax authorities were recorded in the accompanying financial statements.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

## 2. Summary of significant accounting policies (continued)

#### Revenue recognition

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Contributed property and equipment are recorded at fair value at the date of donation. Contributions with donor-imposed stipulations regarding how long the contributed assets must be used are recorded as net assets with donor restrictions; otherwise, the contributions are recorded as net assets without donor restrictions.

Unconditional pledges to give are recorded as contributions when pledged at the net present value of the amounts expected to be collected. Unconditional pledges to give that are expected to be received in future periods are discounted annually using the current interest rate the funds would earn. Amortization of the discount is recorded as contribution revenue.

#### Concentration of revenue

As of December 31, 2022, approximately 71% of grants receivable was from one funding source. For the year ended December 31, 2022, approximately 60% of federal grant revenue was from one funding source. As of December 31, 2021, approximately 60% of grants receivable was from one funding source. For the year ended December 31, 2021, approximately 75% of federal grant revenue was from one funding source.

### Grant expense

Grants are recognized when all significant conditions are met, all due diligence has been completed and they are approved by staff or board committee. Grant refunds are recorded as a reduction of grant expense at the time the Organization receives or is notified of the refund.

#### Functional expenses

The financial statements report certain categories of expenses that are attributable to one or more programs or supporting services of the Organization. Expenses that apply to more than one functional category have been allocated between program, management and general, and fundraising, based on the time spent on these functions by specific employees. Other costs are charged directly to the appropriate functional category.

## Leases

The Organization determines if an arrangement is a lease at inception. An arrangement is a lease if the arrangement conveys a right to direct the use of and to obtain substantially all of the economic benefits from the use of an asset for a period of time in exchange for consideration.

Operating lease right-of use assets and liabilities are recognized at the commencement date based on the present value of lease payments over the lease term. The Organization uses a risk-free rate at the commencement date in determining the present value of lease payments.

### NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

## 2. Summary of significant accounting policies (continued)

#### Leases (continued)

The operating lease right-of-use asset also includes any lease payments made and excludes lease incentives. The lease terms may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

#### Reclassifications

Certain reclassifications have been made to the prior year financial statements to conform to the current year presentation.

#### Subsequent events

Subsequent events have been evaluated through October 20, 2023, which is the date the financial statements were available to be issued, and there are no subsequent events requiring disclosure.

#### 3. Liquidity and availability of financial assets

As of December 31, 2022 and 2021, the Organization has \$1,600,093 and \$1,576,695, respectively, of financial assets available within one year from the statements of financial position dates to meet cash needs for general expenditures. The following represents the Organization's financial assets as of December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Financial assets at year end		
Cash and cash equivalents	\$ 635,372	\$ 304,395
Grants receivable	472,764	251,233
Donations receivable	-	14,692
Investments	825,290	1,006,375
Less net assets with purpose restrictions to		
be met in less than one year	 (333,333)	 
Total investment income	\$ 1,600,093	\$ 1,576,695

The donations and grants receivable are expected to be collected within one year. The Organization's goal is generally to maintain financial assets to meet nine to twelve months of normal operating expenses. On average, monthly operating expenses are approximately \$118,000. The Organization has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations that become due.

#### 4. Investments

Investments are stated at fair value and are comprised of the following as of December 31, 2022 and 2021:

		<u>2021</u>		
Mutual funds	\$	825,290	\$	1,006,375
Total investments	\$	825,290	\$	1,006,375

## NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

#### 4. <u>Investments (continued)</u>

The following schedule summarizes the investment return and its classification in the statements of activities for the years ended December 31, 2022 and 2021:

	<u>2022</u>	2021
Interest and dividends	\$ 15,919	\$ 12,827
Realized and unrealized (losses) gains	 (197,064)	 76,009
Total investment (loss) income	\$ (181,145)	\$ 88,836

#### 5. Donations receivable

Donations receivable are composed of the following amounts at December 31, 2022 and 2021:

	2022		2021
Due in less than a year	\$	-	\$ 14,692
Due in one to five years			 _
Total donations receivable		-	14,692
Less discount to reflect donations receivable			
at present value			 
Donations receivable - net	\$		\$ 14,692

## 6. Employee retirement plan

The Organization established a 403(b) savings and retirement plan for its employees. Under the universal availability requirement all employees who work at least 20 or more hours per week are eligible to join the plan. The Organization makes non-elective contributions equal to 6% of each employee's eligible earnings. For the years ended December 31, 2022 and 2021, the Organization contributed \$33,564 and \$35,482, respectively, to the plan.

#### 7. Paycheck protection program note payable

In response to the coronavirus ("COVID-19") outbreak, the U.S. Federal Government enacted the Coronavirus Aid, Relief, and Economic Security Act that, among other economic stimulus measures, established the Paycheck Protection Program (PPP) to provide small business loans.

On April 28, 2020, the Organization obtained a PPP loan from WebBank in the amount of \$110,707. The loan has a term of 24 months and bears interest at a fixed annual rate of 1%. No payments are due during the deferral period which ends on either the date in which the Small Business Administration makes a decision on the application for forgiveness, or ten months after the last day of the covered period. The Organization used all of the proceeds from the loan for qualifying expenses. On May 13, 2021, the Organization received approval of its application for the PPP loan in the amount of \$110,707 to be forgiven.

On March 26, 2021, the Organization obtained a PPP loan from WebBank in the amount of \$121,717. The loan has a term of 60 months and bears interest at a fixed annual rate of 1%. No payments were due during the deferral period which ended on either the date in which the Small Business Administration makes a decision on the application for forgiveness, or ten months after the last day of the covered period. The Organization used all of the proceeds from the loan for qualifying expenses. On November 9, 2021, the Organization received approval of its application for the PPP loan in the amount of \$121,717 to be forgiven.

#### NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

## 7. Paycheck protection program note payable (continued)

As of December 31, 2022 and 2021, the balance of the PPP loans was \$0 for each year. Accrued interest as of December 31, 2022 and 2021 was \$0 for each year. For the years ended December 31, 2022 and 2021, interest expense on the PPP loans was \$0 and \$1,031, respectively. During the year ended December 31, 2021, the Organization recognized debt forgiveness income of \$234,201 which is included in "Other income" on the accompanying Statement of Activities and Changes in Net Assets.

#### 8. Net assets

## Net assets without donor restrictions

Net assets without donor restrictions consist of the following as of December 31:
